In memory of

Mabel M. Anderson Born February 23, 1905 Died December 6, 1997

Mabel M. Anderson will be fondly remembered by the people whose lives she touched. Mrs. Anderson, (as I was supposed to call her six hours a day throughout the 1966-1967 school year), was a dedicated and capable school teacher. For 38 years between 1923 and 1967, she taught in Webster schools, taking a six-year hiatus when her sons George and Duane were born. She had the unique experience of teaching three generations of three Webster families. Many of her former students continued meaningful relationships as they became adults. When she retired as principal of the Central School in 1967 she had taught three of her four grandchildren in the first grade.

Her life was deeply intertwined with education. She was a member of the Webster School Board, N.H. Retired Teachers Association, National Retired Teachers Association and the Webster Central School Building Committee.

Her community involvement and service went beyond teaching: she was Town Auditor, part of the Old Meeting House Scholarship Committee, member of the Town History Committee and a diligent worker on the Bicentennial Quilt. She was proud to be a part of the Women's Union. A 50 year member of the Daniel Webster Grange, her thoughtful, kind ways led her to many more long-term friendships.

The 1997 Town Report is dedicated to Mabel M. Anderson with the loving memories of her long life that will be deeply ingrained in the hearts and minds of her family, former students and countless friends.

INDEPENDENT AUDITOR'S REPORT

To the Members of the Board of Selectmen Town of Webster Webster, New Hampshire

We have audited the accompanying general purpose financial statements of the Town of Webster as of and for the year ended December 31, 1997 as listed in the table of contents. These general purpose financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The general purpose financial statements referred to above do not include the general fixed assets account group which should be included in order to conform with generally accepted accounting principles. As is the case with most municipal entities in the State of New Hampshire, the Town of Webster has not maintained historical cost records of its fixed assets. The amount that should be recorded in the general fixed assets account group is not known.

In our opinion, except for the effect on the financial statements of the omission described in the preceding paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Webster, as of December 31, 1997, and the results of its operations and the cash flows of its nonexpendable trust funds for the year then ended in conformity with generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the general purpose financial statements of Town of Webster taken as a whole. The combining and individual fund financial statements listed as schedules in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Town of Webster. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general purpose financial statements taken as a whole.

INDEPENDENT AUDITOR'S COMMUNICATION OF REPORTABLE CONDITIONS AND OTHER MATTERS

To the Members of the Board of Selectmen Town of Webster Webster, New Hampshire

In planning and performing our audit of the Town of Webster for the year ended December 31, 1997, we considered the Town's internal control structure in order to determine the scope of our auditing procedures for the purpose of expressing our opinion on the financial statements. Our review of these systems was not intended to provide assurance on the internal control structure and should not be relied on for that purpose.

Under the standards established by the American Institute of Certified Public Accountants, reportable conditions involve matters coming to our attention relating to significant deficiencies in the design or operation of the internal control structure that, in our judgment, could adversely affect the Town's ability to record, process, summarize, and report financial data consistent with the assertions of management in the financial statements. A material weakness is a reportable condition in which the design or operation of one or more of the internal control structure elements does not reduce to a relatively low level the risk that errors or irregularities, in amounts that would be material in relation to the financial statements being audited, may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. Our consideration of the internal control structure would not necessarily disclose all matters in the internal control structure that might constitute reportable conditions and, accordingly, would not necessarily disclose all reportable conditions that are also considered to be material weaknesses as defined above.

We are pleased to report that, during the course of our review of internal controls, no material weaknesses in the Town's accounting systems and records were identified. Minor weaknesses or other considerations coming to our attention were generally procedural in nature and dealt with administrative or recordkeeping practices. In these instances, we made specific recommendations or provided instruction to those individuals involved during the course of our audit fieldwork. One area discussed was a review of departmental procedures relative to invoice processing to insure that the bookkeeper is receiving invoices timely, in order that the Town's internal financial reports are up-to-date and accurate.

This report is intended solely for the information and use of management and others within the administration. This restriction is not intended to limit distribution of this report, which is a matter of public record.

PLODZIK & SANDERSON PROFESSIONAL ASSOCIATION

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 1997

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Financial Reporting Entity

The Town of Webster, New Hampshire is a municipal corporation governed by an elected 3-member Board of Selectmen. As required by generally accepted accounting principles, these financial statements present the Town of Webster (primary government), and its component units. Component units are organizations for which the primary government is financially accountable or for which the nature and significance of their relationship with the primary government are such that exclusion would cause the reporting entity's financial statements to be misleading or incomplete. Based on the foregoing criteria, no other organizations are included in the Town's financial reporting entity.

B. Basis of Presentation - Fund Accounting

The accounts of the Town are organized on the basis of funds and account groups, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund equity, revenues, and expenditures/expenses, as appropriate. The various funds are grouped by type in the financial statements. The following fund types and account groups are used by the Town:

Governmental Fund Types

General Fund - The General Fund is the general operating fund of the Town. All general tax revenues and other receipts that are not allocated by law or contractual agreement to another fund are accounted for in this fund. From the fund are paid the general operating expenditures, the fixed charges, and the capital improvement costs that are not paid through other funds.

Special Revenue Funds - Special Revenue Funds are used to account for the proceeds of specific revenue sources (other than expendable trust or major capital projects) requiring separate accounting because of legal or regulatory provisions or administrative action. The following funds are included in this fund type:

Public Library Conservation Commission

Fiduciary Fund Types

Fiduciary Fund Types - These funds account for assets held by the Town as a trustee or agent for individuals and other units of governments.

The following funds are included in this fund type:

Nonexpendable Trust Fund
Trusts

Expendable Trust Funds
Town Trusts
Capital Reserve

Agency Fund

Developers' Performance Bond

Account Groups

Account groups are not "funds." They are concerned only with the measurement of financial position. They are not involved with measurement of results of operations. The Town uses the following account groups:

General Fixed Assets Account Group - General fixed assets have been acquired for general governmental purposes and have been recorded as expenditures in the fund making the expenditure. These expenditures are required to be capitalized at historical cost in a General Fixed Asset Group of Accounts for accountability purposes. In accordance with the practices followed by most other municipal entities in the State, the Town does not maintain such a record of its general fixed assets and, accordingly, a statement of general fixed assets, required by generally accepted accounting principles, is not included in this financial report.

General Long-Term Debt Account Group - This account group is established to account for all long-term debt of the Town.

C. Measurement Focus/Basis of Accounting

Governmental, Expendable Trust and Agency Funds use the modified accrual basis of accounting. Under this method, revenues are recognized in the accounting period in which they become both available and measurable (flow of current financial resources measurement focus). Licenses and permits, fines and forfeits, and miscellaneous revenues are recorded as revenues when received in cash. General taxes, intergovernmental revenues, charges for services, and investment earnings are recorded when earned (when they are measurable and available). Expenditures are recognized in the accounting period in which the fund liability is incurred, if measurable, except expenditures for debt service, prepaid expenses, and other long-term obligations, which are recognized when due.

All Nonexpendable Trust Funds are accounted for using the accrual basis of accounting. Their revenues are recognized when they are earned, and their

expenses are recognized when they are incurred (flow of economic resources measurement focus).

D. Budgetary Accounting General Budget Policies

General governmental revenues and expenditures accounted for in budgetary funds are controlled by a formal integrated budgetary accounting system in accordance with various legal requirements which govern the Town's operations. At its annual meeting, the Town adopts a budget for the current year for the General and Public Library Funds. Except as reconciled below, budgets are adopted on a basis consistent with generally accepted accounting principles.

Management may transfer appropriations between operating categories as they deem necessary, but expenditures may not legally exceed budgeted appropriations in total. All annual appropriations lapse at year-end unless encumbered.

State statutes require balanced budgets, but provide for the use of beginning unreserved fund balance to achieve that end. In the fiscal year 1997, \$82,454 of the beginning General Fund fund balance was applied for this purpose.

Encumbrance accounting, under which purchase orders, contracts, and continuing appropriations (certain projects and specific items not fully expended at year end) are recognized, is employed in the governmental funds. Encumbrances are not the equivalent of expenditures and are therefore reported as part of the fund balance at December 31 and are carried forward to supplement appropriations of the subsequent year.

Amounts recorded as budgetary expenditures in the Combined Statement of Revenues, Expenditures and Changes in Fund Balance - Budget and Actual - General and Special Revenue Funds (Exhibit C) are presented on the basis budgeted by the Town. The amounts differ from those reported in conformity with generally accepted accounting principles in the Combined Statement of Revenues, Expenditures and Changes in Fund Balances for All Governmental and Expendable Trust Funds (Exhibit B) as follows:

Expenditures and Other Financing Uses	
Per Exhibit C (Budgetary Basis)	\$ 2,318,608
Adjustment	
Basis Difference	
Encumbrances - December 31, 1996	10,015
Encumbrances - December 31, 1997	(21,821)
Per Exhibit B (GAAP Basis)	\$ 2,306,802

E. Assets, Liabilities and Fund Equity Cash and Investments

The Town Treasurer is required by State statute to have custody of all monies belonging to the Town and shall pay out the same only upon orders of the selectmen. The Town Treasurer shall deposit all such monies in solvent banks in the state or in participation units in the public deposit investment pool established pursuant to RSA 383:22. Funds may be deposited in banks outside the state if such banks pledge and deliver to the state treasurer as collateral security for such deposits in value at least equal to the amount of the deposit in each case.

State statutes authorize the Treasurer, with the approval of the selectmen, to invest excess funds in obligations of the United States government, in the public deposit investment pool established pursuant to RSA 383:22, in savings bank deposits of banks incorporated under the laws of the State of New Hampshire or in certificates of deposits of banks incorporated under the laws of the State of New Hampshire or in national banks located within this state or the Commonwealth of Massachusetts. Any person who directly or indirectly receives any such funds or monies for deposit or for investment in securities of any kind shall, prior to acceptance of such funds, make available at the time of such deposit or investment an option to have such funds secured by collateral having a value at least equal to the amount of such funds. Such collateral shall be segregated for the exclusive benefit of the town. Only securities defined by the bank commissioner as provided by rules adopted pursuant to RSA 386:57 shall be eligible to be pledged as collateral.

For financial reporting purposes, cash and equivalents include amounts in demand deposits and money market funds, as well as certificates of deposit and short-term investments with original maturities of 90 days or less.

The Town is authorized by State statute to invest Trust Funds, including Capital Reserve Funds, in obligations of political subdivisions and stocks and bonds that are legal for investment by New Hampshire savings banks except mutual funds unless the mutual funds are registered with the Securities and Exchange Commission, qualified for sale in the State of New Hampshire in accordance with the New Hampshire uniform securities act of the New Hampshire Secretary of State's office, and have in their prospectus a stated investment policy which is consistent with the investment policy adopted by the Trustees of Trust Funds in accordance with RSA 35:9. The Trustees may also invest trust funds in New Hampshire credit unions and in the public deposit investment pool established pursuant to RSA 383:22. Capital Reserve Funds must be kept in a separate account and not intermingled with other funds.

The Town does participate in the New Hampshire Public Deposit Investment Pool. Based on GASB Statement No. 3, investments with the Pool are considered to be unclassified. At this time, the Pool's investments are limited to short-term U.S. Treasury and U.S. Government Agency obligations, State of New Hampshire municipal obligations, certificates of deposit from AI/PI-rated banks, money market mutual funds (maximum of 20% of portfolio), overnight to 30-day repurchase agreements and reverse overnight repurchase agreements with primary dealers or dealer banks.

The Trustees of Trust Funds file annual reports with the New Hampshire Attorney General.

Investments are stated at cost or, in the case of donated investments, at the market value of the date of bequest or receipt.

Receivables

Revenues for the most part are recorded when received, except for the following items for which receivables have been recorded:

a. Tax revenue is recorded when a warrant for collection is committed to the Tax Collector. Management has, through a comparison of historical data, recognized a reserve of \$15,000, representing potential abatements of property taxes receivable.

The National Council on Governmental Accounting (NCGA), Interpretation 3, *Revenue Recognition - Property Taxes*, requires that if property taxes are not collected within 60 days after year end, the revenue is not considered an "available spendable resource" and should be deferred. An exception to the general "60-day rule" is allowed in unusual circumstances. The Town has consistently recorded the property tax revenue when levied without deferral in accordance with the "60-day rule." Since this practice of recording the property tax revenue when levied is widely recognized as being generally accepted as the prevalent practice in New Hampshire, the Town believes that such practice is a knowledgeable application of the NCGA Interpretation 3 exception and therefore Level 4 GAAP compliance may be reached. Level 4 includes "widely recognized and prevalent practices."

As prescribed by law, the Tax Collector places a lien on properties for all uncollected property taxes in the following year after taxes are due. The lien on these properties has priority over other liens and accrues interest at 18% per annum.

If property is not redeemed within the 2-year redemption period, the property is tax-deeded to the Town.

b. Interest on investments is recorded as revenue in the year earned.

Interfund Receivables and Payables

During the course of normal operations, the Town has transactions between funds, including expenditures and transfers of resources to provide services and fund capital outlay. The accompanying governmental and fiduciary fund financial statements reflect such transactions as transfers. To the extent that certain transactions have not been paid or received as of December 31, balances of interfund amounts receivable or payable have been recorded.

Long-Term Liabilities

General Obligation Debt - General obligation bonds, notes, capital leases, and other forms of long-term debt supported by general revenues are obligations of the Town as a whole. Accordingly, such unmatured obligations of the Town are accounted for in the General Long-Term Debt Account Group.

Compensated Absences - Employees may accumulate a limited amount of earned but unused vested benefits, which will be paid to employees upon separation from the Town's service. In Governmental Fund Types the cost of vested benefits paid or expected to be liquidated with expendable available financial resources are reported as an expenditure and fund liability of the fund. Amounts of vested or accumulated leave benefits that are not expected to be liquidated with expendable available financial resources are reported in the general long-term debt account group. No expenditure is reported for these amounts.

Fund Equity

The portion of fund balance which has been legally segregated for a specific future use, or which indicates that a portion is not appropriable for expenditures, is shown as reserved. The following reserves were used by the Town during the year:

Reserved for Endowments - represents the principal balance of Nonexpendable Trust Funds which must be held for investment purposes only.

Reserved for Encumbrances - is used to account for open purchase orders, contracts and other commitments at year end for which goods and services have not been received.

Reserved for Special Purposes - is used to account for the unencumbered balance of restricted funds. These include the Town's Expendable Trust Funds, and the income portion of the Town's Nonexpendable Trust Funds.

F. Total Columns (Memorandum Only) on Combined Statements
Amounts in the "Total (Memorandum Only)" columns in the combined financial statement line items of the fund types and account groups are pre-

sented for analytical purposes only. The summation includes fund types and account groups that use different bases of accounting, includes interfund transactions that have not been eliminated and the caption "amounts to be provided," which is not an asset in the usual sense. Consequently, amounts shown in the "Total (Memorandum Only)" columns are not comparable to a consolidation and do not represent the total resources available or total revenues and expenditures/expenses of the Town.

NOTE 2 - STEWARDSHIP, COMPLIANCE, AND ACCOUNTABILITY

Excess of Expenditures Over Appropriations

The following governmental fund had an excess of expenditures over appropriations for the year ended December 31, 1997:

Special Revenue Fund Public Library

\$8,226

Overexpenditures occurred primarily due to the failure to gross budget and include the expenditure of library funds from miscellaneous sources of revenue.

NOTE 3 - ASSETS

A. Cash and Equivalents

At year end, the Town's cash deposits categorized according to risk assumed were as follows:

Category 1 Includes deposits that are insured (Federal Depository Insurance).

Category 2 Includes deposits that are uninsured, but are collateralized by securities held by the pledging financial institution, its trust department or agent in the Town's name.

Category 3 Includes deposits that are uninsured and uncollateralized.

Repurchase Agreements

Included in the Town's cash equivalents at December 31, 1997, were short-term investments in repurchase agreements issued by a local banking institution. Under these agreements, the Town will be repaid principal plus interest on a specified date which is subsequent to year end. The agreement is guaranteed/collateralized with securities held by the banking institution which exceed the amount of the agreement. To the extent that the banking institution may default on its commitment to these obligations, the Town is at risk of economic loss. Management considers this exposure to be minimal. At December 31, 1997, the Town held investments in repurchase agreements as follows:

			Collatera	l Pledged
Amount	Interest Rate	Maturity Date	Underlying Securities	g Market Value
\$540,213	5.34%	01/01/98	FHLB FHLB SC	\$260,000 \$246,000

B. Investments

Total Investments

Investments made by the Town are summarized below. The investments that are represented by specific identifiable investment securities are classified as to credit risk into three categories as follows:

- Category 1 Includes investments that are insured or registered, for which the securities are held by the Town or its agent in the Town's name.
- Category 2 Includes uninsured and unregistered investments, for which the securities are held by the Town, broker, counter party's trust department or agent in the Town's name.
- Category 3 Includes uninsured and unregistered investments, for which the securities are held by the broker, counter party, counter party's trust department, or agent, but not in the Town's name.

C. Property Taxes

The property tax year is from April 1 to March 31 and all property taxes are assessed on the inventory taken in April of that year. The net assessed valuation as of April 1, 1997, upon which the 1997 property tax levy was based was \$74,017,846.

The Town subscribes to the semi-annual method of tax collection as provided for by RSA 76:15-a. Under this method, tax bills are sent on or around June 1 and November 1 of each year, with interest accruing at a rate of 12% on bills outstanding for more than 30 days.

The June 1 billing is considered an estimate only and is one half of the previous year's tax billing. The remaining balance of taxes due is billed in the fall after the State Department of Revenue Administration has calculated and approved the Town's tax rate for the fiscal year.

In connection with the setting of the tax rate, Town Officials, with the approval of the New Hampshire Department of Revenue Administration, establish and raise through taxation an amount for abatements and refunds of property taxes, known as overlay. This amount is reported as a reduction in tax revenue and is adjusted by management for any tax reserves at year end. The property taxes collected by the Town include taxes levied for the Merrimack Valley School District, Merrimack County, and Pillsbury Lake District, which are remitted to these governmental units as required by law. The ultimate responsibility for the collection of taxes rests with the Town.

The tax rate for the year ended December 31, 1997, was as follows:

	Taxpayers in the Pillsbury Lake District	All Other Taxpayers	
Municipal Portion	\$ 4.85	\$ 4.85	
School Tax Assessment	18.18	18.18	
County Tax Assessment	2.12	2.12	
District Tax Assessment	3.51		
Total	\$ 28.66	\$ 25.15	

As prescribed by law, within 18 months of the date assessed, the Tax Collector places a lien on properties for all uncollected property taxes. The lien on these properties has priority over other liens and accrues interest at 18% per annum. If property is not redeemed within the 2-year redemption period, the property is tax-deeded to the Town.

During the current fiscal year, the Tax Collector on April 30 and June 27 placed liens for all uncollected 1996 property taxes.

Taxes receivable at December 31, 1997, are as follows:

Property Taxes	
Levy of 1997	\$166,095
Unredeemed Taxes (under tax lien)	
Levy of 1996	47,824
Levy of 1995	19,979

Levy of 1991	770
Levy of 1990	794
Less Reserve for estimated uncollectible taxes	(15,000)
Total Taxes Receivable	\$223,017

D. Interfund Receivables/Payables

Individual fund interfund receivable and payable balances at December 31, 1997 are as follows:

	Interfund	Interfund
Fund	Receivable	Payable
General Fund	\$5,510	\$
Trust Fund		
Expendable		
Capital Reserve		5,510
Totals	\$5,510	\$5,510

E. Risk Management

The Town is exposed to various risks of loss related to torts; theft of, damage to, or destruction of assets, errors or omissions, injuries to employees, or acts of God. During fiscal year 1997, the Town was a member of The New Hampshire Municipal Association Property-Liability Insurance Trust, Inc. and the compensation funds of the New Hampshire Workers' Compensation Fund. These entities are considered public entity risk pools, currently operating as a common risk management and insurance program for member towns and cities

The New Hampshire Municipal Association Property-Liability Trust, Inc. is a Trust organized to provide certain property and liability insurance coverages to member towns, cities and other qualified political subdivisions of New Hampshire. As a member of the NHMA Property-Liability Trust, Inc., the Town shares in contributing to the cost of, and receiving benefits from, a self-insured pooled risk management program. The membership and coverage run from July 1 to June 30. The program includes a Self-Insured Retention Fund from which is paid up to \$500,000 for each and every covered property, auto physical damage or crime loss subject to a \$1,000 de-

ductible, and each and every covered General Liability and Public Officials Liability Loss.

The Trust maintains, on behalf of its members, the following re-insurance policies shared by the membership for the year ended June 30, 1998.

- 1. United States Fidelity and Guaranty Company (USF&G) Casualty Facultative Reinsurance Certificate #GC12225408800 which provides general liability and public officials liability coverage in the amount of \$1,500,000 in excess of the Trust's Self-Insured Retention for each and every loss.
- 2. United States Fidelity and Guaranty Company (USF&G) Property Facultative Reinsurance Certificate #GC12224308700 which provides property and auto physical damage coverage in the amount of \$500,000 in excess of the Trust's Self-Insured Retention for each and every loss.
- 3. Swiss Reinsurance America Corporation Property Facultative Reinsurance Certificate #2121909 which provides property and auto physical damage coverage in excess of the Trust Self-Insured Retention and the (USF&G) Property Facultative Reinsurance Certificate, up to the total property and vehicle schedule on file with the Trust for its entire membership.
- 4. United States Fidelity and Guaranty Corporation provides some members with higher limits of from \$1 to \$4 million in excess of the underlying \$2 million.
- 5. Members of the Trust also share Hartford Insurance Company Boiler and Machinery Policy #FBP-CH-2213346 which provides a \$50,000,000 limit resulting from any "one accident" subject to a \$1,000 deductible.
- 6. Members of the Trust also share Hartford Insurance Company Policy #83XLS QG 1903 which provides a \$51,000,000 limit resulting from Flood and Earthquake and \$7,000,000 resulting from any "one accident" for Flood in Zone A subject to a \$1,000 deductible.

Contributions paid in 1997 for fiscal year ending June 30, 1998, to be recorded as an insurance expense/expenditure totaled \$14,480. Unpaid contributions for the year ending June 30, 1998 and due in 1997 were \$-0-. Claims submitted to the Trust that have been billed to the Town for their portion of payment (i.e., deductible) as of December 31, 1997, totaled \$-0-.

During October 1997, \$3,230.18 was returned to the Town of Webster as its 1997 "dividend" for the years 1990 through 1995.

The Trust Agreement permits the Trust to make additional assessments to members should there be a deficiency in Trust assets to meet its liabilities. At this time, the Town foresees no likelihood of an additional assessment for any of the past years.

Compensation Funds of New Hampshire - Workers' Compensation Fund is a Trust organized to provide statutory workers' compensation and employer's liability self-insurance coverage to member towns, cities, school districts, and other qualified political subdivisions of New Hampshire. As a member of Compensation Funds of New Hampshire - Workers' Compensation Fund, the Town of Webster shares in contributing to the cost of and receiving benefits from a self-insured pooled risk management program. The membership and coverage runs from January 1 to December 31. The coverage is for the statutorily required workers' compensation benefits and employer's liability coverage up to \$1,000,000. The program includes a Loss Fund from which is paid up to \$375,000 for each and every covered claim.

The Trust maintained on behalf of its members the following insurance policy shared by the membership for the year ended December 31, 1997:

Aggregate reinsurance to cover total claims should they exceed the Loss Fund established by the Trust (coverage to \$5,000,000).

The Trust Agreement permits the Trust to make additional assessments to members should there be a deficiency in Trust assets to meet its liabilities. At this time, the Town foresees no likelihood of any additional assessments for any of the past years.

The Town continues to carry commercial insurance for all other risks of loss, including employee and public official fidelity bonds, health and accident insurance.

B. Defined Benefit Pension Plan

Plan Description and Provisions

The Town of Webster participates in the New Hampshire Retirement System (System) which is the administrator of a cost-sharing multiple-employer contributory pension plan and trust established in 1967 by RSA 100-A:2 and is qualified as a tax-exempt organization under Sections 401 (a) and 501 (a) of the Internal Revenue Code. The plan is a contributory, defined benefit plan providing service, disability, death and vested retirement benefits to members and their beneficiaries. Provisions for benefits and contributions are established and can be amended by the New Hampshire State Legislature. The System issues a publicly available financial report that may be obtained by writing the New Hampshire Retirement System, 4 Chenell Drive, Concord, NH 03301.

Description of Funding Policy

The System is financed by contributions from both the employees and the Town. Member contribution rates are established and may be amended by the State legislature while employer contribution rates are set by the System trustees based on an actuarial valuation. All employees except police officers and firefighters are required to contribute 5% of earnable compensation. Police officers and firefighters are required to contribute 9.3% of gross earnings. For the period January 1 through June 30, 1997, the town contributed 2.73% for police officers, 5.12% for firefighters and 3.39% for other employees. From July 1 through December 31, 1997, the rates were 3.812% for police officers, 5.822% for firefighters and 4.282% for other employees. The contribution requirements for the Town of Webster for the years 1995, 1996, and 1997 were \$1,713, \$1,753, and \$2,570, respectively, which were paid in full in each year.

The State of New Hampshire funds 35% of employer costs for firefighters and police officers employed by the Town. The State does not participate in funding the employer cost of other Town employees. GASB Statement 24, "Accounting and Financial Reporting for Certain Grants and Other Financial Assistance" requires this amount to be reported as a revenue and expenditure in the Town's financial statements. Due to the immateriality, this amount, \$622, has not been so recorded.

C. Landfill Closure and Postclosure Care Costs

The Town of Webster has an agreement with the Town of Hopkinton for the Sanitary Landfill located in the Town of Hopkinton.

Federal and State laws and regulations require that the Towns place a final cover on the landfill when closed and perform certain maintenance and monitoring functions at the landfill site after closure. A liability is being recognized in the General Long-Term Debt Account Group based on an amortization schedule obtained from the Town of Hopkinton dated January 7, 1998 which covers annual payments for closure and postclosure care costs.

Based on the terms of the agreement, \$557,102 represents the Town's share of the accrual for landfill closure and postclosure care costs which is 20% of the total and reported in the General Long-Term Debt Account Group.

The Town expects to finance the closure and postclosure care costs by issuance of Long-Term Debt and an estimated 20% subsidy from the State of New Hampshire.

D. Long-Term Debt

The following is a summary of the Town's general long-term debt transactions for the fiscal year ended December 31, 1997:

REPORT OF THE SELECTMEN

The Selectmen wish to thank the taxpayers of Webster for the support you have shown in the past year.

We are pleased with the new and efficient way of paying the Highway Department, whereby the Road Agent is responsible for employees and equipment, by receiving one payroll check which includes Workers' Comp, Social Security and Medicare.

The Town Hall roof was partially completed in 1997. The monies for the remainder has been encumbered and the roof should be finished this next summer. All but the steeple of the Town Hall has received a fresh new coat of paint.

We wish to express our regret at the resignation of Mark Varney, our new second full time police officer, after only about six weeks of full time duty. We wish him well.

We want to say thanks to the Staff, Department Heads, Volunteers, and anyone else who has cooperated and been giving of their time and effort. A job well done.

As we get ready to enter the Twenty First Century let's hope that the Town's goals can be met with good judgment and speed and in accordance with the long-range plans for our Town.

Respectfully submitted,

ROBERT F. DROWN, SR. DAVID M. BATCHELDER DAVID A. RICHARDSON Board of Selectmen

REPORT OF THE WEBSTER FIRE DEPARTMENT

The officers of the Webster Fire Department for 1998 are as follows: Deputy Chief, Mike Arpino; Captain, Dan St. Cyr; Lieutenants, Bob Brophy and Bruce Thompson; EMT Lieutenant, Marge Blanchette; Medical Director, Roy Fanjoy; Secretary/Treasurer, Paula Fanjoy; Training Officer, Fred Murphy; and Safety Officer, Dan St. Cyr.

We had two new members join the Fire Fepartment this year: Jim Cross and Kevin Culpon. If you are interested in joining the Fire Department you can contact me in person at my home on Clothespin Bridge or phone me at 648-2204 or just visit us on a regular meeting night which is every Thursday at 7:00 P.M. or at our business meeting which is the last Thursday of the month at 7:30 P.M.

Total calls for 1997 were: 132. This is a 34.7% increase over 1996. This is an all-time record for the Webster Fire Department to date. We have one paramedic, one registered nurse EMT, and six EMT's. Most of the members of the Fire Department are state certified firefighters and trained in CPR.

In May we received our new forestry truck from money bequeathed to the Department by Veto Casper for fire fighting equipment. We also purchased a CO2 gas monitor detector with this bequest. This truck will be a big asset to the Town and our department. Also, we received a 1977 Dodge 4x4 from State Forestry that will also be used in forest fire suppression as of today's date (2/4/98).

I would like to thank all the medical squad and firefighters for the many hours they have given in service and training, and also to the families for the many hours they spend away from home. Also a special thanks to the Ladies Auxiliary for the service they provide at fires and trainings. We should also like to thank the residents of Webster for all their support and donations and help in so many ways. We can be proud that we have a well-trained and equipped Fire Department. Thank you for a job well done.

Respectfully submitted,

P. WILLIAM WELCOME, Chief Webster Fire Department

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

To aid your Forest Fire Warden, Fire Department and State Forest Ranger, contact your local Warden or Fire Department to find out if a permit is required. Violations of RSA 227-L:17, the fire permit law, and the other burning laws of the State of New Hampshire, are misdemeanors punishable by fines of up to \$2,000 and/or a year in jail. Violators are also liable for all fire suppression costs.

There are ten Forest Rangers who work for the New Hampshire Division of Forests and Lands, Forest Protection Bureau. State Forest Rangers are available to assist communities with forest fire suppression, prevention and training programs as well as the enforcement of forest fire and timber harvest laws. If you have any questions regarding forest fire or timber harvest laws, please call our office at 271-2217.

There are 2400 Forest Fire Wardens and Deputy Forest Fire Wardens throughout the state. Each town has a Forest Fire Warden and several Deputy Wardens who assist the Forest Rangers with forest fire suppression, prevention, and law enforcement. The 1997 fire season was a safe period for wildland fire-fighters with no major injuries reported. The drought conditions experienced during the early summer months was a significant factor resulting in the total number of fires reported during the season.

The State of New Hampshire operates 15 fire towers, 2 mobile patrols and 3 contract aircraft patrols. This early detection and reports from citizens aid in the quick response from local fire departments. This is a critical factor in controlling the size of wildland fires and keeping the loss of property and suppression costs as low as possible.

REPORT OF THE HIGHWAY DEPARTMENT

Major road projects during 1997 included:

- Pond Hill Road: A one-half mile section was cleared, stumped, ditched, graveled and culverts installed at a cost of \$8,500. An additional 1/2 mile section is proposed for 1998.
- Corn Hill Road: Pike Industries was the successful bidder for this project. \$43,000 was spent, including the old tar being ground, culverts installed, gravel, matting, and basecoat pavement. During 1998 the shoulders will be completed and the top coat of pavement laid.
- Deer Meadow Road (from the Concord line to Dingits Corner) was sealed and Potash Road and Call Road (hill) were tarred at a total cost of \$18,500.
- Culverts were installed on Roby Road, Call Road, Clough-Sanborn Hill Road, Potash Road, and Province Road. Potash Road also received much needed gravel.
- Extensive clearing of roadside brush, mowing, ditching, and grading were performed on numerous roads and this effort will continue during 1998.
- 1,600 yards of gravel were crushed at the Town Pit, a savings of approximately 50% had we purchased the gravel.

Projects proposed for 1998 include the completion of the Pond Hill Road and Corn Hill Road projects as referenced above as well as Clothespin Bridge Road

reconstruction, Dustin Road reconstruction, sealing of Potash and Call Road (hill), and crushing of an additional 2,500 yards of gravel at the Town Pit.

In a cooperative effort with Fire Chief Welcome and the members of the Fire Department, an agreement has been made whereby the Fire Department will flush out all culverts and the road crew will, in turn, assume responsibility for keeping the fire hydrants, ponds, and fire station plowed during the winter months.

Special thanks are extended to Robert Roby for allowing us to utilize his log landing on Pond Hill road and to Rick Cummings for building the culvert headers at Corser Hill Cemetery.

I would like to thank the members of my crew for their long hours, equipment, and dedication to getting the job done in the best interest of the residents of the Town of Webster.

Respectfully submitted,

ADAM E. MOCK, Road Agent

REPORT OF THE BUILDING INSPECTOR

A wide variety of homes were built this year. The total number was fifteen, in various locations around Town.

Just a reminder: anyone wanting to apply for a building permit must obtain a driveway permit from the State or Town Road Agent.

I will be glad to try to answer any questions you might have; just give me a call.

Respectfully submitted,

EDWIN PIPER, Building Inspector

REPORT OF THE CONSERVATION COMMISSION

This year the Commission has not made many inspections for the State Wetlands Board as applications to the Board were few. We worked with a developer to minimize impact to a wooded swamp in the Pillsbury Lake area. We studied the sludge safety issue, attended meetings of the State Rules Committee on sludge, and legislative hearings, and an all-day conference in November, and recommended caution to the Town.

We preambulated the town bounds of Hopkinton and Salisbury and traveled to the Franklin Waste Facility for a tour.

Our major job was to blaze and paint all of the several miles of boundaries of conservation easements. This commission desperately needs volunteers —- the work is interesting and can be fun. Call me!!

Respectfully submitted,

BETSY JANEWAY, Chairman

REPORT OF THE CEMETERY COMMISSION

During the summer of 1997, the expansion project at the Corser Hill Cemetery was completed with the seeding of the southerly half of the new area. Some regrading of the drainage area was done as was the cleanup of the area next to Pleasant Street. The small amount of remaining money for the project will be used for fertilizing the new area to help the new turf become well established.

The Trustees would like to remind residents that cemetery plots are available free of charge to the citizens of Webster, the only requirement being that corner stone markers should be installed immediately. The Trustees are available to mark their location at the corners of each plot.

Please note that no new permanent shrubs or plants are allowed in any of the cemeteries. The reason for this is that they make the maintenance of the cemeteries more difficult. We want to keep our cemeteries looking as nice as possible at the least possible cost.

Upcoming improvements: replacement of old and deteriorating fencing at the sides of the Riverdale and Beaver Dam cemeteries.

The Trustees welcome calls for any reason; we are here to help in any way we can.

Respectfully submitted,

PATRICIA INMAN BRENDA SILVER RONALD FROST

REPORT OF THE TRUSTEES OF THE WEBSTER FREE LIBRARY

The library enjoyed another busy year in 1997, with 82 new patrons signed up and 9,365 books, audios, videos, and magazines checked out. Interlibrary loan continues to be a popular service, and we were able to satisfy patron requests with 228 books borrowed from other New Hampshire libraries. We added 642 books and other materials to the library (222 of these were donations), bringing our total collection to approximately 9,200 items.

Our new activities and services this year included a monthly Book Discussion Group and book delivery service to shut-ins. Income from our recent bequest paid for a new photocopier, an entertainer at our summer reading program, a subscription to an audiobook rental program, updating of encyclopedias and other outdated reference materials, an expanded book collection, and the purchase of supplies not covered under our regular budget. The library was awarded an \$8,000 Public Library Technology Enhancement matching funds grant under the US Library Services and Construction Act Title II, which we will be combining with previously donated monies to assist us in making the Webster Free Public Library into an information resource for all of our users.

As always, we appreciate the generous donations from Webster's residents, and we extend a heartfelt thanks to the volunteers who keep the library open for all of us in the evenings.

REPORT OF THE PLANNING BOARD

The Planning Board regretfully accepted the resignation of member Gene Blake, who had served on the Board from 1989 to 1997. Member Teddy Gosinski has replaced the vacancy on the Board and we welcome him aboard. Other members are: Nancy VanLoan, Chairman; Hubert Scott, Clifford Broker, and William Inman, Members; David Richardson, Selectman Representative; and Bruce Lantman, Alternate. Because these are volunteer positions, attendance is sometimes low; however we have always had a quorum to vote on subdivisions and walking property.

Responsibilities of the Board not only include overseeing the subdivisions, but the Master Plan, the Capital Improvements Program, Gravel Pits, and any amendments to the Zoning Ordinance and the Subdivision Regulations. Not all of these items are done annually, but are reviewed for updates.

There were nine subdivisions this year and two very active conceptuals (a meeting where the subdivider meets with the Board to discuss his/her intentions). Following is the list of completed subdivisions: John and Rebecca Little for a two lot subdivision on Deer Meadow Road; Peter and Lorna Austin for a two lot subdivision on Pond Hill; Mark and Drayton Phillips: this subdivision was for the purpose of annexation and did not create any additional lots, but allowed frontage on Call Road to a lot that had previously been land locked; John and Rebecca Little for a lot line adjustment on Deer Meadow Road, creating no new lots; Gary Hillsgrove for a three lot subdivision on Pleasant Street; William and Kitty Fifield for a two lot subdivision on White Plains Road; Denny and Kathy Stevens for a two lot subdivision on the corner of Battle Street and Clough and Sanborn Hill Road; Dale and Fern Clough for a two lot subdivision and a lot line adjustment on Long Street; and Jill Johns for a three lot subdivision on Deer Meadow Road. The conceptuals were for David Winslow for a four to six lot subdivision and a lot line adjustment on Tyler Road; currently the applicant is working on formal acceptance of the application. Joseph Abbondanza for a six lot subdivision on Hollings Drive.

Sludge has been a very hot topic across the State this year. Webster even made their debut on CNN television from a meeting held on June 19, 1997. This meeting was attended by approximately 40 townspeople and others interested in the safe, sensible and responsible spreading of sludge. The Board accepted an invitation by Charley Hanson, White Mountain Resources, Inc., for a tour of the Franklin Waste Facility on October 25, 1997 at 9:00 A.M. Several interested

townspeople joined us where we were shown the process by which sludge is produced, as well as the finished product of a field currently being fertilized with sludge, or as those in the industry prefer to call it — bio-solids. By either name, the smell is more than distinctive! Hopefully, this will aid the Board in making a decision, in the best interest of the Town, on the spreading of sludge. The moratorium still stands due to lack of proof that sludge is a safe product. At this time there are too many problems with toxicity.

Amendments to the Zoning Ordinance are time consuming, but necessary. The Board met on January 16, 1997 and January 30, 1997 to vote on the amendments as proposed for the 1997 Warrant. Joint meetings were held with the Selectmen and Zoning Board on December 8, 1997 to discuss proposed changes and a public hearing was held on December 15, 1997 to vote on the amendments as proposed for the 1998 Warrant.

It has been recommended to the Board that they take a serious look at the possibility of requiring building permits for any construction in Webster. It was the general consensus that the Board needed more time to consider this project, and would prefer to involve the Building Inspector as well as the public for their input to the proposal prior to making recommendations to be voted upon at Town Meeting.

The Board plans to continue having joint meetings with the other boards to discuss such issues as roads, impact fees, building permits, driveways and other related issues. These meetings are always open to the public and residents are encouraged to attend.

Gravel Pits, whether active or inactive, must be reviewed annually by the Board. This year Judith Rantala, long time owner of the gravel pit off White Plains Road, sold the gravel pit to Adam E. Mock. This pit seems to have become a "dumping ground" for unused or unwanted items. Mr. Mock has cleaned up the area and improved this site considerably, reclaiming the land as required by law.

The State has implemented some new regulations regarding gravel pits, with related workshops to be held throughout 1998. The Board plans to take an active part in these seminars.

The coming year does not appear to be offering much relief from Planning Board duties, but this Board is hard working and willing to fulfill the challenges that may be offered in 1998. I thank my Board Members for their volunteer hours and interest.

Respectfully submitted,

NANCY VANLOAN, Chairman

REPORT OF THE TOWN HISTORY COMMITTEE

A fire at the home of Lionel and Nancy Reed on the Call Road caused damage to the chimney and partitions on December 21, 1996.

Winter suppers benefiting the Webster Congregational Church were held every second Saturday of each month, January through May.

At a special meeting on January 5, the church membership voted to sell the parsonage.

On February 11, at an open meeting of Daniel Webster Grange, the annual Town budget hearing and discussion of the Town Warrant took place.

On March 6, the Merrimack Valley School District held its annual meeting at the high school in Penacook. The voters approved Article IV, which provided Kindergarten and transportation for each town in the district. Normandie Blake was re-elected to the school board (she was presently completing Karen Mehuron's term) by 229 votes over Rupert Leeming (214 votes). The budget approved was \$15.2 million.

Voting for Webster's town officers was held on March 11, 1997. There were two contested positions: Selectman David Richardson (315 votes) and George Cummings (306 votes); Road Agent Adam Mock (376 votes) and Robert Lake (249 votes). The Town Meeting was held on March 15, 1997. There had been many articles and letters in local newspapers regarding the police department and selectmen of Webster. The morning was spent in discussing, voting and re-voting several articles in reference to the police department. After the police budget as proposed was passed, all other articles in the warrant were passed and/or approved in 2 1/2 hours.

The Blackwater Slalom New England Division Canoe Races were held April 19 and 20 at Sweatt's Mills.

The Northeast Regional Whitewater Kayak Trial Races were held on April 26 and 27 at Snyder's Mills.

A fire at the Ohlson-Martin house on White Plains Road caused damage to the chimney and partition on February 26, 1997.

A Memorial Day service was held on May 30 at Webster's Old Meeting House featuring the school children and special speakers.

In May, the Webster Private Kindergarten graduated its last class after 24 years in the Grange/Town Hall. In September, the students began attending classes at the Webster Elementary School.

Six public suppers were held during the summer months to benefit the Grange, Church and Women's Union.

Webster's 99th Old Home Day was held Saturday, August 16, 1997. Carol and Daniel Creighton were the Grand Marshals in the parade. A chicken barbecue, sponsored by the Webster Church Choir, was again successful. This was followed by a dance in the evening. Storyteller George Radcliffe was again guest speaker at the Old Home Day Service in the church on Sunday, August 17th.

The annual town-wide yard sale was extended to two days this year, September 20 and 21. More than 150 homes participated.

The Board of Selectmen voted to hire the services of Concord-based Municipal Resources, Inc., headed by Donald Jutton, to help resolve the long ongoing dispute between the Police Chief, residents, and selectmen.

Webster's Old Meeting House Society held its annual Christmas Party on December 7, 1997.

The Mellen Company, manufacturer of control systems and components for vacuum furnaces and laboratory instruments will be expanding and moving to Concord.

A funeral with full military honors was held on November 8, when Sergeant William R. Pearson, missing in action for 25 years, was returned from Vietnam to Webster for burial in the family plot.

Fifteen building permits were issued in 1997.

Mabel Anderson, original member of the History Committee and co-editor of the 1983 History Book, passed away December 6, 1997. For many years she taught school in Webster and was held in high regard.

NOTE: All of the 1983 Town Histories have been sold.

BUSINESS MEETING HELD AT THE TOWN HALL ON SATURDAY, MARCH 15, 1997 - TOWN MEETING

The Meeting was called to order by Moderator Harold Janeway at 10:00 A.M. Glen Creighton opened the meeting with a prayer followed by Clarence Jeffrey leading the Pledge of Allegiance. Moderator Janeway asked for all to open their Town Reports to the inside cover. The Webster 1996 Annual Report is dedicated to the memory of Veto Casper. Webster is truly blessed by the bequest of his entire estate to various organizations in Town. The Library, Old Meeting House, Webster Congregational Church, Fire Department and The Grange all received large donations from his estate. Janeway requested that we act upon Article #29 immediately as it applies to this matter. Article 29 passed by voice vote.

The results of Tuesday's election were read by the moderator. Outgoing Road Agent Bob Lake was congratulated for his past years of work as Road Agent. He received a warm round of applause.

5. To see if the Town will vote to authorize the Selectmen to negotiate and enter into a contract with a neighboring Town to provide police services for the Town of Webster. The Webster Police Department shall be disbanded upon the signing of a contract. **VOTE TO BE BY SECRET BALLOT** (By Petition) Selectman David Batchelder told the audience the Merrimack County Sheriff's Office would negotiate a price for 24-hour or on-call service. Roy Fanjoy questioned the propriety of Batchelder and Drown discussing police coverage with

other towns before they had received the warrant petitions. Bill Bird criticized them for not including Selectman Blake in their informal meetings and accused Batchelder and Drown of violating the Sunshine Law. Cynthia Anderson stated that the integrity of the Selectmen should not be discussed and moved to vote on this article. Article did not pass by ballot vote Yes - 62, No - 265.

- 6. To see if the Town will vote to elect the Chief of Police by Ballot Vote. (By Petition) Selectman Blake stated that this would be the worst thing a town could ever do. She felt "It's not your qualifications but what you'll overlook." Lexy Shilhan amended the article to read: "To see if the Town will vote to elect the Chief of Police by ballot vote The Selectmen to appoint a police committee to present to the Town 2 or 3 applicants for the position at the next annual Town Meeting and giving the position a five-year term with a year's probation." The five-year term was later amended to three after advisement from Town Attorney Bridget Ferns. A vote to amend the article was voted on by ballot vote. Yes 166, No 133. The amended article was defeated by ballot vote Yes 135, No 216.
- 7. To see if the Town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of a fire truck and to raise and appropriate the sum of \$5,000. Selectman Batchelder amended this article to read: To see if the Town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of a fire truck and to raise and appropriate the sum of \$16,000. to be placed in this fund and to designate the Fire Chief and Selectmen as agents to expend. The amended article PASSED BY VOICE VOTE.
- 8. It was voted to raise and appropriate the sum of \$13,500. to be added to the previously established Capital Reserve Funds as follows:

Police Cruiser	\$5,000.
Fire Station	5,000.
Office Equipment	500.
Town Hall	500.
Medical Equipment	2,500.

PASSED BY VOICE VOTE.

9. It was voted to raise and appropriate the sum of \$168,031. for General Government:

Executive	\$ 8,300.
Election, Registration & Vital Statistics	11,150.
Financial Administration	66,600.
Revaluation of Property	6,000.
Legal Expenses	10,700.
Employee Benefits	18,781.
Planning & Zoning	4,900.
General Government Building	13,600.
Cemeteries	6,900.

Insurance 18,600.
Other General Government (Contingency Fund) 2,500.
PASSED BY VOICE VOTE.

10. To see if the Town will vote to raise and appropriate the sum of \$105,483. for Public Safety:

Police	\$69,925.
Ambulance	3,000.
Fire	26,633.
Fire - Medical	4,300.
Building Inspection	1,000.
Emergency Management	50.
School Lights and E911 Expenses	575.

Duane Anderson moved to reduce the police budget from the proposed \$69,925. to \$30,000. "I personally feel that the turmoil involving the police, the selectmen, the residents in the last three years, with all the publicity that has been connected, has brought a tremendous disgrace to the Town of Webster." This received the largest round of applause during the meeting. This amendment was defeated by ballot vote Yes - 108, No - 182. "Take the guy out of it, fund your police department, and then demand that the Board of Selectmen do their job," urged newly-elected Selectman David Richardson. Bill Bird amended that the Police Budget appropriation be increased to \$80,000. This amendment was defeated by ballot vote Yes - 136, No - 157. The Selectmen amended to increase the Ambulance line item up \$1,000 to \$4,000 due to the Town's inability to collect for ambulance transporting. This increased the total proposed budget to \$106,483. This amendment PASSED BY VOICE VOTE.

- 11. It was voted to raise and appropriate the sum of \$149,190. for Highways and Streets. PASSED BY VOICE VOTE.
- 12. It was voted to raise and appropriate the sum of \$50,000. for Corn Hill Road improvements. PASSED BY VOICE VOTE.
- 13. It was voted to raise and appropriate the sum of \$10,000. for Pond Hill Road improvements. PASSED BY VOICE VOTE.
- 14. It was voted to raise and appropriate the sum of \$24,000. for sealing. PASSED BY VOICE VOTE.
- 15. It was voted to raise and appropriate the sum of \$105,810. for Webster's share of expenses of the Hopkinton-Webster Sanitary Landfill/Transfer Station. PASSED BY VOICE VOTE.
- 16. It was voted to raise and appropriate the sum of \$30,461. for the following:

Health Department \$ 200. Franklin Visiting Nurse Association 2,353.

Welfare Department	6,850.
Community Action Program	2,858.
Parks & Recreation	350.

OTHER BUSINESS: Nancy VanLoan, Chairman of the Planning Board, read a correction to the 1996 March Town Report as follows:

The report of the Planning Board (page 62) states that "The Board has decided to allow sludge in Town as regulated by the State."

The Webster Planning Board has heard many complaints and concerns regarding the sludge issue which warrant more time to review. Therefore, the Board has decided to continue the moratorium on the spreading of sludge in our Town. State regulations are not explicit and are under investigation. Until they are resolved we will continue to study our options.

This subject will be reviewed in June 1997 at a public meeting. Notices at the Town Offices, in the Grapevine and the Concord Monitor will be published about a month in advance.

Several residents endorsed an idea by Roger Becker of an independent citizen panel to investigate the Police conflict and make recommendations to the Board of Selectmen. Town Counsel advised that none can look into the personnel file of the Police Chief unless authorized by the Chief.

Pat Inman asked for a round of applause for Moderator Harold Janeway for a great job in moderating today's meeting.

Harold Janeway presented retiring Selectman Dee Blake with a flowering plant, thanking her for her years as Selectman. He also thanked Road Agent Bob Lake for his years of service to the Town.

Meeting adjourned at 3:00 P.M.

Respectfully submitted,

BARBARA HOCHREIN, Town Clerk

WARRANT FOR THE ANNUAL MEETING OF THE PILLSBURY LAKE DISTRICT

To the inhabitants of the Village District of Pillsbury Lake, Webster, in the County of Merrimack and the State of New Hampshire, qualified to vote in the Village District affairs.

You are hereby notified to meet at the Pillsbury Lake Community Center in said Village District on the 11th day of March in the year of our Lord nineteen hundred and ninety eight at 7:00 in the evening to act upon the following subjects:

- 1. To hear the report of the Pillsbury Lake District Commissioners and any vote relating thereto.
- 2. To see if the District will vote to raise and appropriate the sum of \$200,000 for the construction of a new well and water storage at the North end of the Lake in Park E and to authorize the commissioners to issue not more than \$200,000 of bonds or notes for this new well in accordance with the Municipal Finance Act and to authorize the commissioners to issue and negotiate such bonds and notes and to determine the interest rate thereof. The commissioners recommend this article (5 yes, 0 no). (Requires 2/3 ballot vote)
- 3. To see if the District will vote to raise and appropriate the sum of \$300,000 to replace the current water distribution system and to authorize the commissioners to issue not more than \$300,000 of bonds or notes to finish this project in accordance with the Municipal Finance Act and to authorize the commissioners to issue and negotiate such bonds and notes and to determine the interest rate thereof. The commissioners recommend this article (5 yes, 0 no). (Requires 2/3 ballot vote)
- 4. To see if the District will vote to raise and appropriate the sum of \$20,000 to purchase a backhoe and to authorize the commissioners to issue not more than \$20,000 of bonds or notes for the backhoe in accordance with the Municipal Finance Act and to authorize the commissioners to issue and negotiate such bonds and notes and to determine the interest rate thereof. The commissioners recommend this article (4 yes, 1 no). (Requires 2/3 ballot vote)
 - 5. To choose all necessary officers as follows:
 - a. To choose a clerk to serve until the next annual meeting.
 - b. To choose a treasurer to serve until the next annual meeting.
 - c. To choose a moderator to serve until the next annual meeting.
 - d. To choose an auditor to serve until the next annual meeting.
 - e. To choose two (2) commissioners to serve until the annual meeting of 2001.
- 6. To see if the District will vote to raise and appropriate the sum of \$84,300 as detailed in the District Commissioners' proposed budget as follows.

- 7. To see if the District will vote to raise and appropriate the sum of \$20,000 to deweed Pillsbury Lake and authorize the withdrawal of \$8,000 from the Pillsbury Lake Deweeding Capital Reserve Fund created for that purpose. The balance of \$12,000 is to come from the general taxation. The commissioners recommend this article (5 yes, 0 no). (Majority vote required)
- 8. To see if the District will vote to raise and appropriate the sum of \$1,500 to be deposited into the "Pillsbury Lake Deweeding Capital Reserve Fund" and to name the District Commissioners as agents to expend both the principal and interest from this fund as needed for the fund's purpose. The commissioners recommend this article (5 yes, 0 no). (Majority vote required)
- 9. To see if the District will vote to raise and appropriate the sum of \$2,000 to be deposited into the "Water Main Improvement Capital Reserve Fund" and to name the District Commissioners as agents to expend both the principal and interest from this fund as needed for the fund's purpose. - 10. To see if the District will vote to raise and appropriate the sum of \$2,000 to the "Water Supply Capital Reserve Fund" and to name the District Commissioners as agents to expend both the principal and interest from this fund as needed for the fund's purpose. The commissioners recommend this article (5 yes, 0 no). (Majority vote required)
- 11. To see if the District will vote to raise and appropriate the sum of \$1,000 to "Legal Reserve Fund" and to name the District Commissioners as agents to expend both the principal and interest from this fund as needed for the fund's purpose. The commissioners recommend this article (5 yes, 0 no). (Majority vote required)
- 12. To see if the District will vote to authorize the transfer of all money and interests associated with the "Water Pump Replacement Fund" to the general operating budget. The commissioners recommend this article (5 yes, 0 no). (Majority vote required)

- 13. To see if the District will vote to approve a new District policy which states that all new buildings within the District pay a \$2,500 fee to tap into the Pillsbury Lake Village Water District water system, whether or not the property owner wants to use the District water system. This fee must be paid prior to the issuance of any building permit granted by the Town of Webster, NH or the State of New Hampshire for new building within the District. This policy would replace the current policy that charges \$5,000 to anyone who wants to use the District water system. The commissioners recommend this article (5 yes, 0 no). (Majority vote required)
- 14. To see if the District will vote to authorize the District Commissioners to borrow money in anticipation of revenue and taxes. The commissioners recommend this article (5 yes, 0 no). (Majority vote required)
- 15. To see if the District will ratify all actions taken by the District Commissioners on behalf of the District during the prior fiscal year. The commissioners recommend this article (5 yes, 0 no). (Majority vote required)
- 16. To transact any other business which may legally come before this meeting.
